### France-Africa Scholarship

Application deadline: March 1, 2019

#### Description:

Located on the site where the Rhone and Saône rivers converge, Lyon has also always been a place of human confluence. From the lively Maghrib art and food scene of the Guillotière neighborhood to the African museum (the oldest of its kind in France), Lyon has been shaped by its contacts with Africa. This scholarship is designed to enable ambitious students interested exploring the influence that African peoples, cultures, and customs have had on Lyon and its inhabitants. The recipient of the Ei<sup>2</sup> France-Africa Scholarship will be a program participant who embarks on an internship that is designed to provide new insights into the legacy and living presence that is Africa in Lyon.

#### Award:

We will inform scholarship applicants of their funding status before the application deadline in April. Award amounts differ from year-to-year as they are based on a variety of factors such as private donations and the euro/dollar exchange rate. The minimum award is \$500 and the maximum is \$1500.
